

Save Significantly on Your Monthly Processing Bill

The Talus Pay Advantage Program is as low as \$59.99 a month and includes one smart terminal.*

What is the Talus Pay Advantage Program?

Our pricing program seamlessly allows your business to recoup a majority of the costs associated with credit card processing. Our payment software & terminals present dual pricing, offering a choice to your customers: a regular card price and a discounted price for cash payments.

PAY BY CASH AND SAVE!

Pay with CASH and receive 3.50% off the total sale amount!

Drowning in Monthly Fees?

The Talus Pay Advantage Program can help.

- ✓ Eliminate fees
- ✓ Works with all payment types
- ✓ Get funds next day**
- ✓ Quick and easy to set up
- ✓ No hidden fees
- ✓ Month-to-month agreement

Are Cash Discount & Dual Pricing Programs Legal?

Offering a cash discount program is legal in all 50 states. As long as the program is properly disclosed to the customer, it is a great way for merchants to save a good majority of their credit card processing fees, which can add up to hundreds, if not thousands of dollars each month.

*Based on your business volume and needs, your monthly bill may be higher. Chargeback fees, invalid TIN, PCI fees and ACH Reject fees will be passed on to the merchant if applicable.
**To qualify for next day funding, merchant must currently be processing and submit recent processing statements.
